Pinot Noir Barrique, Réserve Räblus Jubilé 2019, Bielersee AOC	78.00

2019 was a wonderful year for our Pinot Noir. That's why we decided to craft a special wine from a portion of the grapes grown in our best vineyard, "la Bouille" a wine that will continue to bring joy for many years to come. It aged for two years in a new barrique from François Frères, our favorite oak barrel crafters in Burgundy. After bottling, it aged for another five years in the bottle. It is now time to release it from our care. It bears the "Jubilé" designation, perfect for celebrations, festive occasions, or milestone birthdays.

According to excerpts from tasting notes & jury comments:

A beautiful ruby-red color. Aromas of black fruit, licorice, almond, and subtle oak. Spicy notes on the nose, with supple, well-integrated tannins and a lovely length on the palate.

Vingelzer Chasselas
The classic Lake of Biel wine, fresh, slightly sparkling.

Schafiser Chasselas
A fruity, sweet chasselas from our vineyard in Schafis.

Mon Blanc
Aged in oak barrels, the Mon Blanc (Johanniter grape variety) is well structured and characterized by its light vanilla and grapefruit notes.

Nobling
Fruity aroma slightly exotic, powerful and elegant body.

Solaris
Powerful, full-bodied, exotic aromas such as: pineapple, lime and grapefruit.

Œil de Perdrix
The Œil de Perdrix, fresh and fruity, is composed exclusively of Pinot Noir.

Pinot Noir
Ruby red, aromas of berries and blackcurrant. A pleasant, fruity Pinot.

Blue Velvet
Dark in color with a refined oak aroma. A blend of organic Regent, Cabernet Jura and Cabaret Noir grapes.

Pinot Noir Barrique
Ruby red color, fruity aroma. Aged in oak barrels for twelve months, this well-structured pinot noir is characterized by its light oak note (spices, vanilla).

Blanc de Noir brut
Sparkling wine made of Pinot Noir grapes, sparkling with a touch of sweetness.

Solaris dessert wine
An intense, complex wine with exotic fruit aromas. Refined interplay of sweetness and acidity

Räblus – Restaurant and Winery

In the heart of the vineyards in our garden or in the cellar, you can taste our wines. Then, one floor up, a “Fisherwoman’s Menu” with a view of the lake awaits you. The Räblus is a restaurant with fish specialties as well as vineyards. You will find the best of the lake and the grapes. The Wysseier family has been running the Räblus for 300 years- With Jakob, Lynda and their daughter Carly, the Wysseier are now in the fifth generation. Ruth Wysseier and her partner Werner Schweizer take care of the vineyards, the cellar and the wine.

Wines with our signature

In the vineyards as well as in the cellar, we take great care of our specialties. In addition to the regional classics, the Chasselas and the Pinot Noir, we started early with mildew-resistant grape varieties. We vinify them individually and according to their potential.

The personalization of our vineyards, the experimentation with new grape varieties.
The respect for tradition is reflected on our labels. They illustrate the watercolours of the painter Oskar Binz and are signed by us with the name of our wines.
